## CORPORATE MATCHING

The following companies offer matching gift programs allowing you to double your donation to the event. Please pickup a **matching gift form** from your company's Personnel Office, or check with your company's website.

**Any amount you paid for an item above the fair market value is tax deductible, and all Fund-A-Need contributions are fully tax deductible. We have the potential to dramatically increase our fundraising results if all matching paperwork is completed. Thank you for your help!**
